

TAPWARE & SLIDE SHOWERS

Basin Mixer

Shower Mixer

Tapware

Showerswell's selection of single lever tapware is manufactured with the latest in ceramic disc technology including water noise reducing features. Manufactured from solid brass and finished in hotel quality chrome plating. Suitable for equal mains pressure or with the optional adapters, converting to unequal pressure is a breeze. Showerswell have a specifically designed shower mixer to suit New Zealand's popular unequal pressure system, ensuring a comfortable showering experience.
